OUR VISION & MISSION

VISION STATEMENT

The City of Beeville will be a resilient, forward-thinking community where strong infrastructure, fiscal responsibility, and collaborative leadership create lasting opportunity for residents, businesses, and future generations.

MISSION STATEMENT

The City of Beeville is committed to providing efficient, transparent, and accountable municipal services that safeguard public resources, strengthen community infrastructure, and ensure every resident benefits from responsible governance and sustained investment in our shared future.

THE MISSION FROM DAY ONE

In November 2025, I joined this team — and from Day 1, I saw the dedication, heart, and resilience that makes Beeville special. Together, we set out to strengthen our water infrastructure, restore fiscal discipline, and build a city we can all be proud of.

Stabilize operations and restore fiscal discipline — together

Solve the water crisis — Beeville's #1 priority

Build regional partnerships and earn the community's trust

Strengthen our leadership team across every department

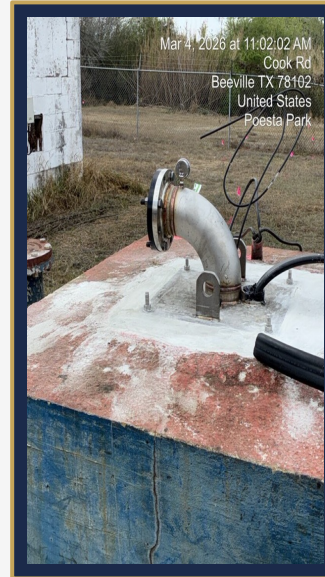

Position Beeville for long-term growth that benefits everyone

SECURING BEEVILLE'S WATER FUTURE

\$33.8M

BWRO Phase I Water Project

- Design Phase: 90% Complete
- 1 new well + 2 rehabilitated wells
- Well locations: W. 1st St, Cook Rd, Cleveland
- Target: 3M gallons/day capacity
- Interlocal Agreement: Corpus Christi, Alice & Mathis
- **Water flowing by end of March**

DEPARTMENT IMPROVEMENTS

The people in this room are the reason Beeville is moving forward. I'm proud of the leadership team we've built.

Chief Ryan Treviño

Chief of Police

Promoted from Interim — unified first responder support across PD, VFD, and Sheriff's Office.

Daniel Dorgan

ACM / Finance Director

Bringing audit-ready compliance, fiscal strategy, and budget discipline.

Albert Vilches, CBO

Development Director

Leading planning, permitting, code enforcement, and community growth.

Gaby Hernandez

ACM/City Secretary

Operational backbone of governance — agendas, records, and daily administration.

COMING SOON

Us Safe*

OUR TEAM

Fire & Public Works — The Backbone of Our City

OUR TEAM

Utility Systems — Keeping Beeville Running Every Day

OUR TEAM

Administrative Staff — The Heart of City Operations

CELEBRATING OUR PEOPLE

Chief Ryan Treviño

Stepped up when we needed him most. His leadership unified our first responders and earned the community's trust.

Daniel Dorgan

Brought the fiscal discipline and transparency we needed as ACM/Finance Director. A game changer for Beeville.

Albert Vilches, CBO

Hit the ground running as Development Director — already making Beeville more business-friendly.

Gaby Hernandez

The operational backbone of everything we do. ACM/City Secretary who keeps this city running every single day.

Every City Employee

From public works to police, fire to finance — thank you. These 100 days belong to all of you.

THE NEXT 100 DAYS — TOGETHER

Complete BWRO Phase I — bring water to our residents

Launch our 2026 seal coating & street maintenance program

Build the FY 2026-2027 budget together with our new ACM/Finance Director

Grow our economy through BDA/BAP partnerships

ONE CITY. ONE TEAM.

*"I've been a leader in cities across South Texas for over 30 years.
I can tell you — the heart of Beeville is its people.
Thank you for letting me be part of this team."*

— Andy Joslin, City Manager

Mayor Mike Willow II • Mayor Pro Tem Benny Puentes Jr.
Crystal Franco • Ray Garcia Jr. • Cyndi Carrasco

THANK YOU, BEEVILLE

*To every city employee, council member, and community partner —
these first 100 days belong to you.*

*"At the end of the day, my focus is simple — run the city efficiently,
be fiscally responsible, and make sure Beeville continues moving forward
in a way that benefits residents, businesses, and future generations."*

"A Community Rooted in Heritage, Growing Toward the Future"

Here's to the next 100 — and beyond.
