Utility Services Privacy Policy

Disclosure of Social Security Number

In accordance with HB 1130 the City of Beeville, Texas adopts this privacy policy pertaining to the confidentiality of social security numbers (SSN).

The City of Beeville requires your SSN and other personal information to be provided for the purpose of establishing utility services and debt collection/reporting.

SSNs and other personal information are maintained in a secure environment by the utility services department.

The City of Beeville does not participate in the selling or sharing of SSNs, unless required by law. Your SSN may be disclosed to city employees requiring access to perform their job duties, other governmental agencies for official purposes, or consumer reporting agencies.

City records are disposed of in accordance with the state law and the provisions of the Local Government Code (Texas Library and Archives Commission).

Disclosure of Customer Information

In Accordance with Texas Utilities Code, Chapter 182, the City of Beeville, Texas adopts this privacy policy pertaining to the Confidentiality of customer's information in a utility account.

Personal information, which includes information such as name, address, SSN, driver's license number, and telephone number, is required when utility services are initiated. The information is a means of identification, internal verification for administrative purposes, and debt collection purposes.

All personal information is maintained in a secure environment by the Utility Services Department.

The City of Beeville does not participate in the selling or sharing of confidential personal information with outside agencies, except as required by law. Confidentially under Chapter 182 does not prohibit a government-operated utility from disclosing personal information in a customer's account record to: an official or employee of the State, a political subdivision of the State or the United States acting in an official capacity; an employee of the City acting in connection with the employee's duties; a consumer reporting agency; a contractor or subcontractor approved by and providing services to the utility, the state, a political subdivision of the state, or the United States; a person for whom the customer has contractually waived confidentiality for personal information; Another entity that provides water, wastewater, sewer, gas, garbage, electricity, or drainage service for compensation.

City records are disposed of in accordance with the state law, the provisions of the Local Government Code (Texas Library and Archives Commission).
